- The faculties of each department meet at the beginning of each academic session for term-wise allocation of syllabus assignments, contents, fix dates for the term-end tests and prepare the academic calendar/ teaching module of that session.
- Innovative methods are adopted for teaching and learning process.
- Special classes and remedial teaching are conducted to promote slow learners.
- Technology enabled Teaching Learning process are practised in college. LCD projectors are used regularly for teaching. ICT enabled teaching makes the class more effective. A few of the class rooms are developed as “smart class rooms”.
- Necessary changes are made according to feedback received from students.
- Invited talks and seminars on contemporary relevance are conducted
- Well stacked library provides all necessary reading materials for both faculties and students.
- Faculty Development Programmes and Quality Improvement Programs are conducted at regular intervals to enhance teaching and learning process.

6.3.3 Examination and Evaluation

- Apart from serving as a centre for the University examinations each year, the college conducts class tests and term tests to evaluate the progress of the students.
- Class tests are regularly conducted. The answer scripts of such tests are shown to the students. Queries and doubts are resolved satisfactorily.
- The faculty acts in various capacities as examiners in university examinations. The senior faculty act as Chairman in university examination.

6.3.4 Research and Development

- IQAC Encourages the faculty to undertake doctoral research work. Most of the Assistant & Associate Professor are either engaged or registered in Ph.D.
- Study Leave is granted to the teachers for research work.
- Library has been well equipped for providing the teachers with updated books and journals.
- Project are undertaken by students in some departments as part of the syllabus.
- All students of final year submit a research project on Environmental aspect as part of the compulsory Environmental Science subject.

6.3.5 Library, ICT and physical infrastructure / instrumentation

- The physical infrastructure has been remarkably improved /developed.
- At present the library has a space of 3000 sq. Ft.
- Three new computers have been added to the library.
- Latest books and journals are purchased and subscribed to every year.
- Total computerisation of the library service has been achieved.
- LCD projectors are used in few classrooms.
- Internet service has been made available to the library users.
- Each Honours department and few General departments maintain and runs a library of its own. Annual budgetary allocation is made available to each department for purchasing text and reference books each year.

6.3.6 Human Resource Management

- The human resource of the college is managed in a free and democratic manner. The college's aim is to make optimum use of the available human resource.
- Teachers are allotted classes and duties as per the university norms, Government regulation and UGC directives.
- Non-teaching staff are allotted duties for which they have been appointed as per statutes of Burdwan University.
- Faculty and staff are encouraged to participate in self-development programme.
- Administration support faculty, staff and students with necessary and relevant support to optimize their work.
- Teachers and Non-teaching staff are generally granted casual leave, earned leave, medical leave and on duty leave .

6.3.7 Faculty and Staff recruitment

Requisitions for faculty and staff recruitment are promptly submitted to the West Bengal College Service Commission and to the Education Directorate whenever vacancies arise. Faculty and staff are recruited transparently as per Government norms/rules. The college appoints guest lecturer and staff on purely temporary basis as per need basis.

6.3.8 Industry Interaction / Collaboration

All departments do not have industry interaction. However, department of commerce and B.B.A. conducted industrial visit at state level.

Annexure III

Best Practice

Practice #1

Title – *ICT Application in Class Teaching*

Objective – The college aims to improve the quality of the teaching learning.

Context – The faculty members of our college mainly use the lecture method in their class teaching. The college authority decides to implement the modern facilities based on ICT in class teaching. College provide the class rooms with internet connection, laptop & projector.

Practice – The college has taken a number of steps for ICT Application in Class Teaching

- IQAC organize workshops to empower the faculty members for use of modern technology in the class teaching.
- Install advanced technology in the class rooms.
- Faculty members prepare PPT on their subjects.
- Faculty members take online class test.

Evidence of Success –

Now the student's attendance has increased and they are benefitted with the introduction of ICT application in the class teaching.

Resources Required –

Need more ICT enabled room with internet connection, projectors and Laptop for strengthening ICT based teaching learning.

Best Practice-2

Title : Environmental awareness

Goal : To create awareness about the environment among the student community.

The Context-Due to the socio-economic background of our students, we have observed a general lack of awareness about the environment.

The Practice-We try to create a general awareness to preserve the environment by having a plastic free zone in and around the campus. We also encourage students to plant trees so that we have a greener and a cleaner tomorrow.

We have also conducted workshops in the college to create general awareness about the environmental biodiversity.

Evidence of Success- We have been able to successfully create a plastic free zone.

Problems Encountered and Resources Required

The college does not have enough resources to organize workshops and invite external advisors. We still try to work with our limited resources and bring the best out of it.
