**T**arakeswar Degree College is a relatively new college as compared to other colleges in the neighbourhood. It was established thirty five years ago on 5th September-1986, a day celebrated as the Teacher's Day in memory of Dr. Sarbapally Radhakrishnan, a renowned Indian philosopher and educationist. Our Silver Jubilee Year's Celebration was observed through various academic activities and cultural programmes in 2011.

Tarakeswar is situated in the rural hinterland of Hooghly district in West Bengal. It is about 60 Kms away from the city of Kolkata. It is a well known place of pilgrimage for the devotees of Lord Shiva. The place Tarakeswar owes its name to Lord Taraknath, its presiding deity. The extension of the railway track from Sheoraphully to Tarakeswar in the year 1884 facilitated the influx of pilgrims to this place and thereby heightened the popularity of Tarakeswar. It is well-connected by both bus and train with various places of West Bengal.

The Hooghly district, pre-dominantly, has an agro-based economy. The students coming to this college hail from families with agricultural background. There are even first generation learners and it is a challenge to impart knowledge to them.

However, the apparent drawbacks did not deter the visionary forefathers of this Institution from laying its foundation. They worked relentlessly to transform their dream into reality, to enlighten and ignite the minds of a large section of uneducated off-springs of peasant families. The tireless efforts of a group of people who were concerned about the deplorable lack of higher educational facilities in and around Tarakeswar made it possible to form a preparatory committee with the following members: (1) Sri Sabyasachi Sen. D.M.. Hooghly (President), (2) Late Kenaram Bhowmik (Secretary), (3) Sri Srimat Dandi Swami Hrishikesh Ashram Mahanta Maharaj, Tarakeswar Math, (4) Late Anil Basu, M.P, (5) Late Narandranath Mukherjee, (6) Late Kashinath Ghosh, (7) Late Nityagopal Pal, (8) Late Sadan Chandra Ghosh (9) Late Ramsingh Pal, (10) Sri Tushar Kanti Pal, (11) Sri Partha Banerjee, (12) Late Krishna Ch. Samanta (13) Late Arjun Krishna Bera, (14) Late Bimalendu Mazumder, (15) Sri Ajit Kumar Ghosh, (16) Sri Swapan Kumar Samanta, (17) Sri Tarak Prasad Banerjee, (18) Late Jagannath Kheto, (19) Sri Kartick Ch. Majhi, (20) Late Krishna Mohan Das, (21) Late Biren Dutta, (22) Sm Mira Roy, and (23) Sri Dipak Banerjee.

His Holiness Sri Srimat Dandiswami Hrishikesh Ashram Mahanta Maharaj of Tarakeswar Math with his kindness and generosity donated 3.5 acres of prime land for the purpose of establishing the college campus. Kind support from the Hon'ble Member of Parliament, Sri Anil Basu, and Hon'ble Minister of Fire & Emergency Services Department, Govt, of West Bengal, Late Pratim Chatterjee, Sri Shankar Ray Chowdhury, Ex-General of Army & Member of Rajya Sabha, who made liberal contributions from their Local Area Development Funds, became instrumental in shaping the college. The spontaneous help of the rank and file of Tarakeswar and the surrounding villages, the active co-operation of Tarakeswar Municipality and new mass oriented higher education policy of West Bengal Government combined to bring this centre of learning into existence.

The college never boasts of being a centre of excellence but it has definitely served as a nodal college in this region. In recognition of the above and of its potential to excel as a centre of learning the college was recognised under Section 2F & 12B of the UGC on January 24, 1991. Despite several odds, the college has made conspicuous progress in terms of physical expansion, diversification of the subject combinations and number of students getting enrolled.

The college started its journey with six departments (Pass), having only 37 students. Today we have more than 4000 students pursuing both General and Honours curriculum in as many as twenty departments.

## **Message from President of Governing Body.**

Dear Prospective Students,

With immense pride and joy I, welcome you to Tarakeswar Degree College for the 2025-2026 academic year. Since our inception in 1986, our institution has been a cornerstone of higher education in the rural heartland of Hooghly, West Bengal, transforming the lives of countless students, many of whom are first-generation learners from agrarian families. Affiliated with the University of Burdwan we proudly hold a NAAC B+ accreditation (3rd cycle, 2025) and ISO certifications for quality and energy management.

At Tarakeswar Degree College, we offer a diverse range of undergraduate programs in Arts, Science, Commerce, and Business Administration. Our college, is more than an academic institution—it is a vibrant community dedicated to fostering intellectual growth, personal development, and social responsibility. Our Management, faculty and staff are committed to nurturing your potential, while our inclusive, ragging-free environment promotes harmony and equity. The college's growth—from 37 students in 1986 to over 4,000 today—reflects our unwavering dedication to education and community engagement. As you consider joining our family, know that Tarakeswar Degree College is a place where your dreams will be nurtured, and your aspirations will find wings. We invite you to embark on this transformative journey with us, where education empowers minds and enriches lives for today and tomorrow.

With warmest wishes for a bright future,

President  
Sri Ramendu Singharay

### *Welcome Message from the Teacher-in-Charge*

#### **Dear Aspiring Students,**

It is with great warmth and enthusiasm that I welcome you to explore the opportunities awaiting you at Tarakeswar Degree College for the 2025-26 academic year. Since our establishment in 1986, we have been a beacon of academic excellence in Hooghly District, and we are deeply committed to nurturing your dreams and aspirations.

At Tarakeswar, we offer a wide array of programs-BA, B.Sc, B.Com, and BBA-crafted under the CCFUP (NEP 2020) framework to empower you with knowledge and skills for a dynamic world. Our institution proudly holds a B+ accreditation from NAAC in its third cycle and ISO 9001:2015 certification. Our eco-friendly, plastic-free campus, powered by green energy, provides a serene and sustainable environment to inspire your growth.

We understand that your education is a journey of discovery, and we are dedicated to supporting you every step of the way. Our state-of-the-art infrastructure, including new classrooms funded by the state government, skill-based Add-On Courses, an enriched library, and expanded computer facilities, is designed to enhance your learning experience. Through our vibrant NSS and NCC programs, you'll have opportunities to engage in community service, fostering social and environmental consciousness that extends beyond the classroom.

We take pride in seeing our students thrive, with many securing positions in esteemed educational, government, and professional organizations. At Tarakeswar Degree College, we are not just an institution but a community that values your potential and is devoted to helping you shape a brighter future.

We eagerly await the chance to welcome you into our family, where your aspirations will find a home, and your journey will be one of growth, purpose, and impact.

With heartfelt regards,

**Dr. Arundhati Moulik (Ray)**

### *Address from the desk of IQAC Co-Ordinator*

#### **Dear Prospective Students,**

It is with immense pleasure and pride that I extend a warm welcome to you on behalf of the Internal Quality Assurance Cell (IQAC) of Tarakeswar Degree College for the 2025-26 academic year. Nestled in the serene rural hinterland of Hooghly district, West Bengal, our college, established on September 5, 1986, stands as a beacon of learning and empowerment. Guided by our vision, “*Empowering Minds, Enriching Lives: Education for Today and Tomorrow*,” we are committed to shaping your academic journey and preparing you for a dynamic future.

Since our inception, Tarakeswar Degree College has been dedicated to enlightening first-generation learners from agrarian families. Spanning 3.94 acres, our campus is equipped with modern facilities, including state-of-the-art laboratories, a well-stocked library, a language laboratory, a gymnasium, a seminar hall, and eco-friendly initiatives like rainwater harvesting and solar panels. Our commitment to quality education is reflected in our NAAC reaccreditation with a B+ grade in 2025, ISO 9001:2015 and ISO 50001:2018 certifications, and infrastructure grants from RUSA.

Our academic offerings include undergraduate programs in Arts, Science, Commerce, and a self-financing course in Management. With over 4,000 students, we foster an inclusive environment that promotes gender equity, Divyangan friendliness, and harmony across all communities. Our three NSS units and NCC cadets actively engage in community outreach, while our campus remains ragging-free, tobacco-free, and plastic-free, ensuring a safe and nurturing space for all. The IQAC plays a pivotal role in upholding our quality policies, which align with our mission to transform teaching and learning, diversify educational access, and cultivate community and industry partnerships. We continuously innovate our teaching methods, provide comprehensive student support, and collaborate with stakeholders to ensure our curriculum meets real-world demands. Our strategic plans, shaped by feedback from students, faculty, and industry, are meticulously crafted to enhance your academic and personal growth.

As you embark on this new chapter, Tarakeswar Degree College offers you not just education but an opportunity to grow, innovate, and contribute meaningfully to society. Our dedicated faculty, robust support systems, and vibrant campus life will empower you to overcome challenges and seize opportunities. We invite you to join our community of learners, where your dreams will be nurtured, and your potential unleashed.

We look forward to welcoming you to Tarakeswar Degree College, where your journey toward a brighter future begins!

Warm regards,

**Dr. Arpan Manna**

The college is now endowed with learning resources in the form of sufficient number of text and reference books in the library.

The college has a small auditorium, a multi-gym, a large playground and an indoor sports complex, within its premises, to help the students striving for all round development. The college was accredited for 3rd cycle by NAAC in this year i.e. 2025. The teaching staff are sincere in their approach to the students. The non-teaching staff are also attentive to the needs of the students and sympathetic to their problems.

Despite paucity of resource paucity we are confident of exploring all available avenues of mobilising resources to improve infrastructural facilities needed for better functioning of the institution in the years to come. We are confident that we will go ahead and smile through all the difficulties that may come in our way.

From the Academic Session 2023-24, NEP-2020 has been implemented under the guidance and instruction of affiliating University The University of Burdwan.

## **ADMISSION PROCEDURE**

During last few years the admission of the students in 1st Year BA/B.Sc./B.Com/BBA Honours and General Courses was conducted through college online portal strictly following the university rules and subjectwise college criterion; payments were made through payment gateway. The admitted students were visited the college first time on the date specified for induction programme and document verification.

But from the year 2024, the admission of the students to 1st semester courses will be conducted through admission portal centrally controlled by the department of Higher Education, Government of West Bengal. Students should apply collegewise maintaining the terms and conditions of the college; and the remaining procedure of admission will be controlled by the central admission portal.

## **STUDENT SUPPORT SYSTEM**

The college firmly believes that a worthy institution is expected not only to impact education to the students but also to provide them with valuable support for their progression from the college to future education or to the world of job market. The institute also believes that during their studentship in the college adequate scope should be provided for health-aids, entertainment, refreshment, complaint redressal etc.

### **Tarakeswar Degree College Central Library**

College library started its work from the very beginning of the College. Despite of other limitations, we are doing our best to satisfy the requirements of our users in the best possible ways. The library system is at present being converted to IT based one with the help of Library Management Software (Cloud Version) designed and developed by **KOHA**. Whole collection is arranged under Dewey Decimal Classification Scheme (DDC) and arranged in the stack room accordingly. This arrangement helps to retrieve book quickly for the reader which saves the time of user. Keeping in mind the library is a growing organisation, present employees are working for the benefit of the stakeholders. Our library has joined in N-LIST programme of INFLIBNET and online member of the British Council Library. Our ultimate goal is to provide the right document/information to the right user at the right time with the help of modern technology as well as a human touch. We might have achieved little so far but hope to do more for our honourable users in future. This vision inspires us to work harder and provide the best we can every time to every user of this library in future.
